

Englisch Kurs 11 - RD

Dear all,

Since we regrettably cannot meet this week, I am sending you a few tasks you can work on by yourselves to keep training your English. The topic still remains “volunteering”, and I would like to offer you a possibility to hand in a small written text which I would correct for you. Handing in your text is voluntary! (Pun intended...)

Text „Volunteering in Germany“ on page 66-67 of your textbook: Read the text and do task 1 (p.67). You may hand in your text to Christian.roederer@web.de if you would like me to check it.

Best wishes,

Mr. R
